HONEY BROOK BOROUGH INFORMATION

Council meetings are held on the **1st and 3rd Monday of the month** except when a Federal Holiday falls on a Monday, then the meeting will be on the next Tuesday. All meetings are open to the public. The agenda is posted on the Borough website the Friday prior to the meeting. Once the meeting is held, Council approved minutes will be posted to the website.

The Borough also has several Committee meetings which are also open to the public. The Committees and meeting times are:

Finance – TBD - check website for meeting date and time

MS4 – 6:15 pm prior to the first monthly meeting

Public Works – 6:30 pm prior to the second monthly meeting

Park & Rec – 2nd Monday of the month, 6:30 pm

Code Enforcement- 6:30 pm prior to the second monthly meeting

Personnel – As needed

Police - 4th Thursday of the month, 7:00 pm Annex Building

Please check the website for any changes to the above scheduled meetings.

HONEY BROOK FOOD PANTRY

As food costs continue to rise and any outside food support we utilize is diminishing, the Honey Brook Food Pantry continues its quest to meet the food insecurity needs of local families, serving upwards of 375 families and nearly 1,300 individuals monthly.

Consistent with recent trends, our growth in individuals served has increased by another 7% through the first half of 2026, with an astounding increase of 21% of Seniors seeking help.

Through July we have already provided 125 fully supplied backpacks to school age children with another distribution upcoming in August along with kids' haircuts. Kids' Food Boxes have been provided throughout the summer.

The fall and holiday seasons will provide an array of goods and services to families in need. An estimated 130 kids from the local Elementary Schools will benefit from weekend food through the Backpack Program. Plans for the holidays include three complete dinner offerings, Winter Coats and other clothing, two toy distributions and more.

On-site information services will expand even further in the second half of the year adding energy assistance services from PP&L, vaccination clinics, more medical/dental information and referral services and an expanding program for Kids Under 4, funded in part by a grant from M&T Bank.

Our first Annual Glow Run took place on August 15th and was a great success while a special fundraising concept developed by Suburban Brewery continues. A special beer **"FOOD FOR THOUGHT"** was brewed and continues to be distributed throughout the community (Honey Brook Golf Club, Jerry's Pizza Pie, Old Village Inn and of course the Suburban Brewery 322 Tap Room), with more on the way. A percentage of beer sales is donated to the pantry.

The Annual Golf Outing will be held at the Honey Brook Golf Club on Tuesday October 13th with more details to follow. This is the largest fund-raising initiative of the year with numerous ways to participate.

Thanks, from all of the families served by the pantry for the outstanding community support enabling the high quality and quantity of healthy food provided each week.

https://www.honeybrookfoodpantry.org

MUNICIPAL SEPARATE STORM SEWER SYSTEM (MS4)

The municipal separate storm sewer system (MS4) permit is one element of how water quality is protected in Chester County. These permits are part of how we manage the amount of pollution entering our streams and rivers, along with: permits for sewage treatment plants; manufacturing plants that discharge directly to a stream; permits to dredge wetlands; and requirements that farmers have up-to-date conservation and nutrient management plans.

Road Salts in our Watersheds

About 40% of salt use are from private users. In addition to being used on public roads, salt is also used on parking lots and internal roads of commercial and industrial establishments, schools, churches, apartment complexes, camp roads, or private driveways and drives. Adding too much salt to an icy surface is an unnecessary cost and can increase damage to concrete, metal, drinking water, vegetation, fish and wildlife, as well as air and water quality -which can impact human health. Private contractors, those who hire private contractors, and individuals who apply their own de-icing/ anti-icing products have an opportunity and responsibility to implement more sustainable practices that reduce the negative environmental, health, and financial impacts of over application or rock salt.

Human Health Threats

- Drinking water supply– wells and municipal supply. Direct threat to individuals with high blood pressure due to increased sodium. Indirect threat through increased nutrient and sediment loading to water bodies (HABs and turbidity)
- Air quality threat due to 'salt clouds'
- Threats to pets: paws and ingesting

Tips to prevent over-applying deicer

- *Do your research and decide application rate to match deicer:* -Rock salt: use about 1 handful per square yard *Follow ASTM standards: product must not be less than 95% sodium chloride. -Calcium chloride: use about 1 handful for every 3 square yards
- *Shovel the snow early and often.* If the temperature drops after a snowstorm, the snow can turn icy and be harder to remove.
- *The more scraping and removal of ice* that you can do, the less deicer you will need to use. Deicer works best on a thin layer of ice.
- After you remove all of the snow and ice, sprinkle deicer (salt) sparingly.
- When temperature rises, the deicer will make a slushy mixture of water and ice. Remove this layer before the temperature drops again. This practice should keep you with an ice-free surface until the next winter storm.
- If possible, use treated salt (pre-wet/ brine) which will accelerate melting, use less salt, as well as cut cost, time, and decrease need for additional applications (saving time, money, and energy)

HONEY BROOK LIONS CLUB

Mark your calendar for the following Honey Brook Lions Club events:

- December 5 @ 7 AM - 11 AM - *Breakfast with Santa
- February 12, 19, 26 & March 5, 12, 19, 26 @ 4 PM - 6:30 PM - *Lenten Fish Fry
- March 20 @ 10 AM - *Annual Easter Egg Hunt

*Events at the Honey Brook Lions Club Community Center

HONEY BROOK FIRE COMPANY

The Honey Brook Fire Company (HBFC) continues to experience a steady increase in emergency responses and is currently on pace for another record-breaking year in call volume. Averaging 13 responders per emergency incident, our volunteers remain committed not only to emergency response, but also to the countless hours dedicated to training, fundraising, public education, equipment maintenance, and the many day-to-day responsibilities required to keep our organization operating effectively.

Earlier this year, HBFC proudly placed two new support vehicles into service: a 2025 Chevrolet Tahoe Command Vehicle and a 2025 Chevrolet Silverado 3500 Utility Truck. These vehicles replace apparatus that had faithfully served the community for nearly 16 years and significantly enhance our operational capabilities.

In addition, Honey Brook Fire Company purchased a 1998 Pierce 105-foot Ladder Truck, taking delivery in the spring of 2026. For the first time in the history of our organization, HBFC is now capable of providing a full complement of Engine, Rescue, and Truck Company services to the community. Since its arrival, members have dedicated countless hours to training, including earning nationally recognized certifications to ensure the highest level of service. We are proud to announce that on July 20, 2026, Ladder 33 was officially placed into service and has already been actively protecting Honey Brook and the surrounding communities.

For the past four years, a dedicated Engine Committee has worked diligently to design and specify a replacement for our 2004 Pierce Pumper. In late August, committee members traveled to the Pierce Manufacturing facility in Appleton, Wisconsin, to complete the final inspection of the new apparatus. With equipment installation and final training underway, the new Engine 33-1 is expected to be placed into service later this year.

HBFC was also fortunate to receive two grants during the summer of 2026. The first, a Pennsylvania state grant, will allow the company to replace structural firefighting turnout gear nearing the end of its NFPA-recommended service life. The grant also provides funding to replace the trailer used to transport Boat 33 while adding a second inflatable rescue boat to our Special Operations program. These improvements will enhance transportation and storage while significantly expanding HBFC's water and ice rescue capabilities.

The second grant was awarded through M&T Bank and the M&T Charitable Foundation. This funding will enable HBFC to replace half of the aging automated external defibrillators (AEDs) throughout our fleet, many of which have exceeded their expected service life while continuing to serve reliably. Company leadership is actively pursuing additional funding opportunities to replace the remaining AED units.

These accomplishments represent only a portion of the progress currently taking place within Honey Brook Fire Company. None of this would be possible without the continued support of Honey Brook Borough, Honey Brook Township, our dedicated volunteers, and the community we are honored to serve. HBFC sincerely thanks everyone for their continued partnership and support.

Upcoming Fundraising Events

- Fall Chicken BBQ – Date to Be Determined
- December 5th – Ladies Auxiliary 2nd Annual Holiday Craft Show
- January 16th – Traditional Amish Wedding Dinner

The company has recently upgraded telephone technology and as a result, required a number change. **Please note that the new Fire Company telephone number is (610) 545-4854.**

For updates and additional Honey Brook Fire Company news, please visit http://www.honeybrookfire.org.

Honey Brook Fire Company is a **100% volunteer organization**, relying entirely on dedicated volunteers to provide 24/7 fire and rescue services to our community. We are always seeking individuals interested in serving in a variety of roles, including Firefighters, Fire Police, Junior Firefighters, and Administrative Support. If you are interested in making a difference in your community, we encourage you to join our team.

CODE ENFORCEMENT

DO YOU NEED A PERMIT????

Permit applications and information can be found on the Borough website on the Permit/Forms tab on the Home Page. Below are some of the items requiring a permit. Before you decide to do any home improvements, please be sure to check if you need a permit or call Kraft Municipal Group at 610-777-1311.

- Additions or remodeling to residential/commercial buildings
- Sheds
- Swimming Pools (above and in-ground)
- Fences and walls
- Decks and Patio slabs
- Signs for home business
- Demolition
- Electrical
- Curb, sidewalks and/or driveway

687 Compass Rd Honey Brook, PA 19344
PHONE: (610) 273-3303
WEBSITE: honeybrooklibrary.org · EMAIL jspade@ccls.org

Stop in and visit your community library! We have expanded, remodeled, and doubled in size. Library cards are free to Chester County residents and can be used at all of the libraries in Chester County. We have free programs for newborns through adults. All library events can also be found on our Facebook page under the events tab or on our newsfeed and on our website https://honeybrooklibrary.org/.

We have free WIFI and 5 public computers. The library has a copier, printers, and a fax machine. We also rent WIFI Hot Spots.

While in the library, check out our Jan Shultz Book Boutique. The Friends of the Honey Brook Library have a small book store located in the lobby near the front door. They sell gently used books, DVDs, audio books, puzzles, and other interesting donated materials. Stop in and check it out. They take cash or check for their purchases. Interested in joining the Friends of the Library? Stop in at their monthly meetings held the **3rd Wednesday of each month at 6:30 pm** at the library or ask about our wonderful Friends group the next time you visit the library.

- **Chatty Crafters - Thursdays - 6:00 to 8:00 PM**

  Join us to crochet, knit, cross stitch, color, craft, and chat. Bring your own supplies and have fun chatting with others while completing your personal projects. Any kind of craft making is welcome. Come to learn or teach or share techniques and talents. This program is year-round.

- **Story Time with Miss Jennifer - Wednesday & Thursday – 10:15 AM**

  Enjoy stories, songs, and crafts at the Honey Brook Community Library on several morning sessions. Best suited for preschool ages 2 -5, but all ages are welcome. Stop in at the library for a flyer for session dates. For more info contact the library at 610-273-3303 or email jspade@ccls.org.

- **Raise A Reader – Tuesday – 10:15 AM**

  Program is for children 0-36 months. Rhymes, fingerplays, music, and lots of books. Stop in at the library for a flyer for session dates.

- **Mystery Book Club - 4th Tuesday of the month - 1:00 PM**

  Stop in at the library to pick up a reading list. For questions call 610-273-3303 or email jspade@ccls.org. This program is year-round.

- **Sewing with Ms. Nancy - Friday 6:00 PM – 8:00 PM**

  Ms. Nancy will help you with basic sewing skills or chose a pattern or project from the library's many sewing books. We have five sewing machines at the library or bring your own. For more information call 610-273-3303 or email jspade@ccls.org. This program is year-round.

- **Senator Katie Muth's Office hours at the HBCL - 4th Friday of the month - 2:30 PM – 4:30 PM**

  A representative from Senator Katie Muth's office will be at the Honey Brook Community Library for questions or concerns.

- **Representative Dan Williams satellite office hours at the HBCL - 2nd Wednesday of the month - 10:30 AM to 12:30 PM**

  A member of Rep Williams' office will be at the Honey Brook Community Library to help with your needs and listen to your concerns.

- **Mah Jongg Club - Wednesday - 1:00 PM to 3:00 PM**

  This is a weekly program. Players need to bring their own 2026 American League Mah Jongg cards. This program is for ages 18 & up & open to any playing level.

POLICE DEPARTMENT

TOY DRIVE

The Honey Brook Police Department is collecting NEW, UNWRAPPED toys for their 2026 Christmas Toy Drive from November 16 to December 21, 2025. Toys for boys and girls aged 5 – 15 years old can be dropped off at Borough Hall, the Police Department, Eby's Market, M&T Bank, Honey Brook Presbyterian Church, Living God Lutheran Church, Honey Brook Early Learning Center, Brandywine Martial Arts Academy, September Farms and Honey Brook Elementary Center.

Please consider donating gifts for older children between the ages of 8-15. Some gifts to consider – board games, sports balls, and other outdoor equipment (nerf, frisbee), jewelry, craft kits and gift cards.

Monetary donations are also appreciated to help the Police Department provide Christmas dinners for residents in need. Monetary donations can be dropped off at the Police Station or Borough Hall. Checks should be made payable to the "Honey Brook Police Department Activity Fund". Checks can also be mailed to "Honey Brook Police Department, 91 Pequea Ave, Honey Brook, PA 19344".

****Volunteers will be needed to wrap gifts for this event. Please check with website www.honeybrookborough.net for information closer to event.*

Pennsylvania's School Bus Stopping Law

- Motorists must stop at least 10 feet away from school buses that have their red lights flashing and stop arm activated.
- Motorists must stop when they are behind a bus, meeting the bus or approaching an intersection where a bus is stopped.
- Motorists following or traveling alongside a school bus must also stop until the red lights have stopped flashing, the stop arm is withdrawn, and all children have reached safety.
- If physical barriers such as grassy medians, guide rails or concrete median barriers separate oncoming traffic from the bus, motorists in the opposing lanes may proceed without stopping.
- Do not proceed until all the children have reached a place of safety

CALL 9-1-1

It is important that **ALL** police related requests, **emergency, and non-emergency**, go through the County Dispatch Center for proper police logging and reporting to occur.

RESIDENTS WHO CALL THE BOROUGH OFFICE TO REQUEST POLICE RESPONSE WILL BE DIRECTED TO CALL 911.

PARKS AND RECREATION

COME PLAY BOCCE!!

There are bocce tournaments held four times/year (April, June, September and November) on the outdoor courts of Honeybrook Borough Park, behind the post office near the water tower. These events are designed to be fun, social competitions. There is no residency or skill level required.

In order to participate in our bocce tournaments, we conduct signups in advance. We email all our current roster members. If you are potentially interested in participating in one or more of our events, please email honeybrookbocce@comcast.net, and provide your email address and phone number, in order to be added to our roster.

Depending on the event, signups may be as a team, small group or individual, with some tournaments featuring randomized teams. Typically, we email our roster 5-6 weeks before the event with a deadline of 1 week later for event registration.

Each tournament is a full-day event, about 5-6 hours, including a shared meal organized by our menu coordinator. Be sure to bring chairs and needed sun protection. On-site portable toilet facilities are accessible.

For more information contact Jackie Josephson at honeybrookbocce@comcast.net.

PICKLEBALL FUN CONTINUES - JOIN A GAME USING THE APP!

The pickleball courts have been a popular spot this season, with residents of all ages enjoying the fast-growing sport. Whether you're a seasoned player or just getting started, there's a great way to get involved and find others to play with – by using the TeamReach app and join HB Pickleball

With just a few taps, you can see who's playing, join upcoming games, or organize your own match. The app makes it easy to connect with fellow pickleball enthusiasts.

Please abide to the rules and regulations posted at the courts. All tournaments must be registered by completing the Park Registration Form which is located on the Borough website – www.honeybrookborough.net – under Permits and Forms. **Registration form and payment must be received at the Borough office 2 weeks prior to the tournament date.**

PUBLIC WORKS

Your input helps keep our community safe and well-maintained.

If you notice any issues on our streets—such as potholes, damaged signs, or other concerns—please contact the Borough office to report them either at info.hbboro.net or 610-273-2020.

NO TRASH OR RECYCLING CONTAINERS SHOULD BE PLACED ON THE ROAD. It is the resident's responsibility to keep their containers on the sidewalk, curb or in your yard, if there is no sidewalk at your property. They should be away from all vehicle traffic. The borough is not liable for damage done to containers by traffic or snow plows resulting from being improperly placed on the street

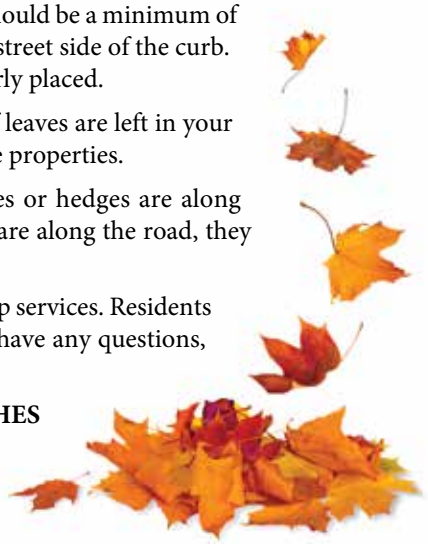

Residents are responsible for the maintenance and up keep of their mail boxes. Mail boxes should be a minimum of 6 inches off the street, where there is no curb or sidewalk. They should never hang out on the street side of the curb. It is your responsibility if damage is done to vehicle mirrors because your mailbox is improperly placed.

LEAVES CLEAN UP. When cleaning up leaves do not sweep or rake them in the streets. If leaves are left in your yard they blow out on the street and block the inlet boxes which could cause flooding on some properties.

IF YOU HAVE TREES ALONG THE STREET OR SIDEWALKS. By ordinance, if trees or hedges are along sidewalks they must be cut back off the sidewalk and have an 8 feet height clearance. If trees are along the road, they should be cut back two feet off the road and a minimum of 14 feet high clearance.

IMPORTANT CHANGE Borough will no longer be offering leaf and Christmas Tree pick-up services. Residents are now responsible for arranging collection directly with their trash service provider. If you have any questions, please contact your provider for details regarding scheduling and guidelines.

REMEMBER THERE IS NO STREET PARKING WHEN THERE IS 3 OR MORE INCHES OF SNOW OR WHEN THE MAYOR DECLARES A SNOW EMERGENCY. SIDEWALKS MUST BE SHOVELED WITHIN 24 HOURS OF SNOW STORM.

HONEY BROOK WATER AUTHORITY

Water News

We have several important projects underway to improve and maintain our water system. Renovations to the Well 8 Treatment Plant have officially begun and are expected to be completed by the end of 2026. Well 9 was successfully drilled and is now in the process of being integrated into our water system additional production. We have also started our annual gate valve exercising program, which involves exercising and maintaining all of the valves throughout our system, including water main valves and hydrant valves located beneath the streets. Regular maintenance helps ensure these valves are working properly when they are needed.

Winter is coming fast! HBBA would like to remind all customers to take necessary steps to prevent any water damage from frozen pipes due to low temperatures. Property owners are responsible for their service line, after the curbstop, and plumbing inside your home. To prevent any unnecessary water leaks due to freezing or burst pipes, remove outside hoses from your spigots and do not turn your home heating system off! Knowing the location of your main shut-off valve inside your home could save you time searching for it in times of an emergency. Any questions or tips on winterizing please contact our office (610) 273-7830 or email hbba@verizon.net for more information.

As always, continue to keep your home leak-free by repairing dripping faucets, shower heads and toilet flappers. Fixing these easily corrected household water leaks can save you $$$. Free Toilet Dye Strip Packs are always available at our office.

Do you want to know what is in your water? Visit our website www.hbbawater.com and click on the Water Quality Report 2025 link.

Military Banner Program

The Military Banners proudly displayed along Horseshoe Pike from May to November.

If you have a loved one who is a past or current resident of Honey Brook Borough who served in WW I, WW 11, Korea, Vietnam, Persian Gulf War, Operation Iraqi Freedom and Operation Enduring Freedom (War in Afghanistan) and would like to honor them with a Military Banner, visit our website to download the application, or call the Borough Office at 610-273-2020.

The Military Banner Program is now being extended to include Honey Brook Township past and current residents. The form can be found on both the Borough and Township websites. Any questions please contact the Borough at 610-273-2020 or the Township at 610-273-3970.

VETERANS DAY PROGRAM

The annual Veterans Day Program will be held Sunday, November 8, 2026, beginning at 2:00PM at Stonecroft, Tel Hai. This special event honors the brave men and women who have served our country and celebrates their dedication and sacrifice.

This year's honored veterans include:

Honey Brook Borough Veterans

Ronald Barrage	US Marine Corps
George David "Dave" Miller	US Army

Honey Brook Township Veterans

Leonard A. Laraio	US Navy
Hal Spatz	US Army

Tel Hai Retirement Community Veterans

Larry C. Biehl	US Army
John W. "Jack" Lear	US Air For

HONEY BROOK COMMUNITY PARTNERSHIP

The Honey Brook Community Partnership (the Partnership) is proud to have served as a community catalyst for the Honey Brook borough and township area for the past 18 years.

Our mission is to bring together Borough and Township partners as well as a variety of community partners to facilitate communication, share resources and work together to enhance our community. To that end, during the fall of 2026 we will be distributing the proceeds from the 2nd Annual Sweetwater Run on Harmony Day to deserving non-profit organizations that serve the needs of our residents in so many valuable ways. For several years we have also offered scholarships to qualifying Twin Valley Highschool students who live in the Borough or Township and are planning to further their education at a college, business, trade, or technical school. We will again be providing two scholarships in the spring of 2027 as part of the distribution of these funds.

While Harmony Day has long been a priority for the Partnership to raise funds through sponsorships and event registrations to give back to the community, a primary goal is to highlight all the activities of other groups, civic organizations, churches and others who are offering activities for families in the community not only on Harmony Day, but throughout the year by investing in support for **19344GO!**, a social media site, highlighting stories and events in our community.

Focus areas for the coming months are in the planning stages. The Partnership is always seeking new ideas and new directions to impact our community. New members are always welcome. Our partners represent non-profit groups, businesses, organizations serving the Honey Brook community and interested residents. Together we share a commitment to celebrating and vitalizing our community.

For more information about the Honey Brook Community Partnership, visit www.honeybrookpartnership.com. For questions, email us at info@honeybrookpartnership.com.

CHESTER COUNTY SOLID WASTE AUTHORITY

At Tel Hai, we're about living life to its fullest! Since moving to Tel Hai, resident Terry Feisler has not only continued — but expanded — her passion of nourishing those experiencing food insecurity through a meal-preparation partnership with a local food pantry. Enjoying the flexibility of retirement community living, Terry puts her expansive cottage kitchen to good use through continuing her love of cooking for others.

Choose a Life Plan Community that offers the freedom and independence to live life on your terms, plus the assurance of priority access to continuing care services if or when you need it.

Schedule a visit, contact Marketing at (484) 796-4262 or online at: **telhai.org/visit**
